

market solution hospitality

Communicate what makes your hotel unique with an eye-catching digital signage solution from Four Winds Interactive.

- Display an up-to-the-minute list of events
- Advertise hotel amenities
 - Show off your restaurant
 - Highlight spa services
 - Draw attention to your business center
- Digitized maps
- Interactive meeting room signs

No one should leave your hotel without knowing why they should visit you again. Join a new era in digital signage where full motion video, Flash™ presentations and even PowerPoint® turn your signs into selling machines.

market solution hospitality

Why spend thousands of dollars for printed signs when you could spend that same amount for a digital sign? It just doesn't make sense anymore to wait; digital media technology is everywhere. Your guests expect more and FWI can help you deliver.

Why Four Winds Interactive?

- Eye-catching
- Easy to Use
- Expandable
- Flexible

Where should you use digital signage?

- Lobby
- Conference Rooms
- Elevators
- Back of House
- Guest Room TV Network
- Highly Trafficked Areas of Your Property
